

New amendments added to the Special Regulations

Published Tue 11 Jan 2022

Five new amendments have been added to the Special Regulations page of the website, four of which are effective immediately. The current Special Regulations online have been updated to include the latest amendments.

The amendments include changes to:

- SR 3.24 Electric Engines
- SR 4.20 Grab Bags
- SR 3.12.6 Lifeline Materials
- SR 3.12 Pulpits Stanchions Lifeline
- SR 5.02.1 Safety Harnesses and Safety Lines (Tethers)

The amendments and updated Special Regulations can be found here <https://www.sailingresources.org.au/safety/specialregs/>

An interpretation has been issued to accompany the Safety Harnesses and Safety Lines (Tethers) amendment and can be found here <https://www.sailingresources.org.au/safety/special-regs-interpretations/>
