

## **Casual Trailer Storage Policy**

### **Application to temporarily store a boat trailer on an RSYS Hardstand**

Boatshed Committee understands there may be times when Members need to leave their vessels and/or trailers at the Club due to unforeseen circumstances.

To better manage the resources for all, Members should notify the Waterfront Manager of their intention to leave their vessel and/or trailer by providing the details below. Once submitted, and provided the vessel/trailer can be accommodated, Members will receive the first 24 hours without charge and incur a daily fee thereafter equivalent to the pond usage fee.

Needless to say this option is for emergencies only and not for sailing, maintenance or other regular activities.

Unauthorised trailers will incur a daily fee equivalent to twice the pond usage fee from date of arrival. The Squadron will remove any unidentifiable trailers and/or vessels from the property.

Members may complete the online application form at <https://www.rsys.com.au/waterfront/yacht-storage-services/85-boatshed/251-casual-trailer-storage>
